In Dedication of
KEYES THOMPSON CURRIE

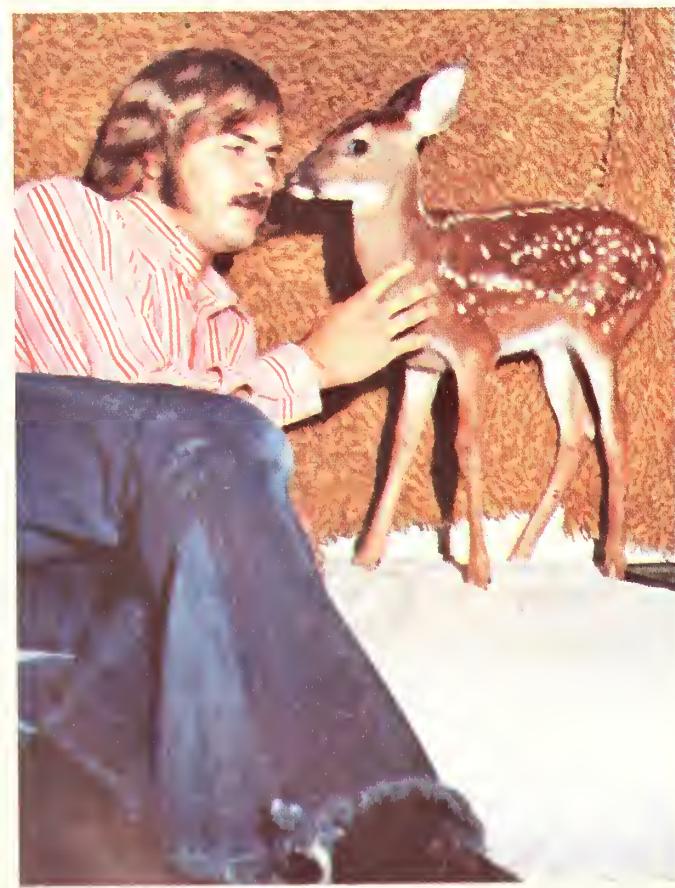

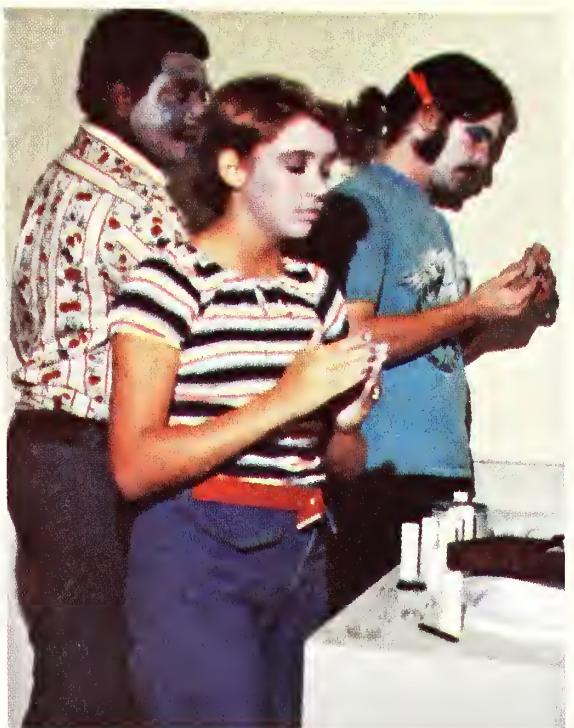

It is with great pleasure that we dedicate this, the 1974 Lion, to a man whose services and endeavors have reached many people over the twenty-three years he has been employed as a coach and teacher at EMJC.

During these years, he has been admired by athletes and other students alike; we are certain that the results of his untiring efforts will continue to be seen in this community.

Because of his dedication to the community and to East Mississippi Junior College, we proudly dedicate this yearbook to

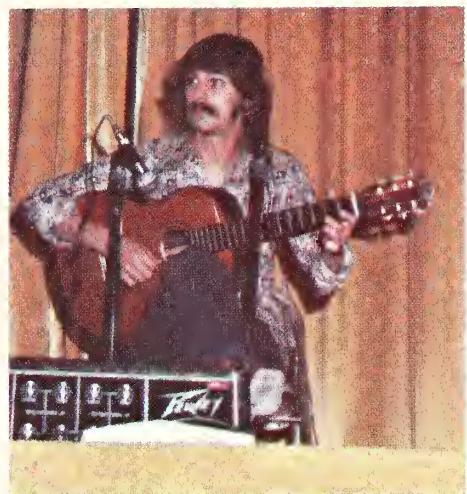

MR. KEYES THOMPSON CURRIE.

As one of a crowd or one of a pair, you take your place in the rank and file of humanity. You stand among many as an individual . . . unique, rare, and beautiful.

The Good Ole Days at EMJC

*ADMINISTRATION
FACULTY
STAFF*

Dr. William E. Reeves became President of East Mississippi Junior College in August of 1973. He came to EMJC from Mississippi State University where he served in the Cooperative Extension Service.

Dr. Reeves holds the B.S. Degree in Education from MVSU; the M.Ed. from the University of Mississippi; and the Ed.D. from the University of Alabama. A veteran of the United States Navy, Dr. Reeves' native Lowndes Countyian and his parents, Mr. and Mrs. M. M. Reeves, still reside at Route 5, Colquitt, Georgia. He is married to the former Betty Sue Spain of Double Springs, Alabama.

The President has previously worked as Athletic Director at LaGrange, Georgia; as Professor and Department Chairman at John C. Calhoun Junior College in Huntsville, Alabama; and as elementary Physical Education Specialist in Key West, Florida. Other experience includes coaching of several sports, including football, baseball, tennis, basketball, and track.

Dr. Reeves holds membership in the Mississippi Education Association, the National Parks and Recreation Association, and East Mississippi Council. He is a Mason and he and his wife are Presbyterians.

We are proud to have Dr. William E. Reeves on the East Mississippi Junior College campus.
